

Career and Job Placement Services

Career Services features extensive resources and career planning assistance to help our students obtain their personal and professional goals. We can help each step of the way, starting with career exploration to interview preparation, and everything in between. We have strong relationships with local employers who visit our campus each program start to engage in networking opportunities, and they are eager to hire our students!

We encourage all students to take advantage of the resources, services, and events that we offer. For further information, or to make an appointment with our Career and Transfer Coordinator, please contact our office at careerservices@vgi.edu
