

# Immunizations

Students enrolled in any program or course or who are participating in a clinical or internship held at a third-party location must continue to comply with all health and safety guidelines, including any vaccination, testing protocols, or masking requirements that are in place at the third-party location.

Admission into Valley Grande Institute for Academic Studies will require the following immunizations/health records depending on your program of study:

TB Test (within 1 year of Admission)

Hepatitis B (complete 3 series)

Immunization Records:

Tuberculosis (must be within current year; chest X-Ray if positive result)

Completed Hepatitis B Series (completed 3 Series)

Current Flu Vaccine (annually during Flu season Oct-March)

MMR Vaccine

Varicella or Proof of Chicken Pox

TDAP Vaccine

COVID-19 Vaccine (Moderna, Pfizer, and/or Johnson & Johnson)

- If Under 22 years of age the follow health records will also be required:  
Proof of minimum 1 Meningitis Immunization,  
TB Test, and Hepatitis B Series.
