Subject: Current Student Notification

The Accrediting Bureau of Health Education Schools Commission reviewed Valley Grande Institute's accreditation record at its July 2024 meeting. Based on this review and discussion, the Commission deferred action on the application until its January 2025 meeting. The institution must respond to the ABHES Commission directives stated herein based on the standards outlined in the Accreditation Manual.

As per Chapter III, Section A, Subsection 7.a.(iv) for HCM2 of the *Accreditation Manual*, the institution is further directed to submit a teach-out plan and its approval form. Additionally, the institution must notify current and prospective students of its current status and continued directives.
